

SCIENCE OLYMPIAD

Field Trip Permission Form

Dear Parent/Guardian:

Science Olympiad is planning several field trips to Science Olympiad meets throughout the school year. Please know that Science Olympiad is a team activity and our success depends on all members attending each meet to support their partner in their events. As such, a list of all meets and their dates are provided on this single field trip permission form. **We ask that you block off these dates on your calendar before committing to the Science Olympiad program.** For each trip, students are required to remain with their supervisor for the duration of the trip. Students must use the scheduled transportation arranged for the trip. They may NOT use alternate transportation to or from the event. It is necessary for the school district to have your signed permission slip on file in order for your child to be eligible to attend the following events. Please check each event to indicate your consent and commitment to attend each one:
